

## ***Colorado River Fire Rescue***

### ***Provisions for Open Burning***

#### **General Provisions**

- **APPLICANT ASSUMES RESPONSIBILITY AND LIABILITY FOR DAMAGES, COST OF EXTINGUISHMENT AND LEGAL FEES WHICH MAY RESULT FROM A FIRE CONTROL OR A VIOLATION OF THE FOLLOWING CONDITIONS.**
- **Applicants must call Garfield County Communications Authority at 970/625-8095 before and after each burn is completed.**
- Permits for open burning shall be issued for spring and fall burning seasons. The spring burning season will be for the period between January 1<sup>st</sup> and Memorial Day. The fall burning season will be for period between Labor Day and December 31<sup>st</sup>. Applications to burn between Memorial Day and Labor Day will be considered on a case by case basis by CRFR.
- Burning is permitted during daylight hours only and is recommended to be complete by late morning to lessen the effects of afternoon heat and winds on the fire intensity. Small ceremonial or recreational “camp” fires do not require a burn permit and are exempt from daylight burning requirements.
- Piles of materials to be burned are to be no more than 8 ft. in diameter. Piles larger than 8 feet in diameter will require separate approval from the CRFR Prevention Division on a case by case basis.
- No burning will be permitted during high wind conditions or when Red Flag Warnings are in effect.
- Please observe the following safety precautions:
  - A method to extinguish the fire shall be present during burning operations
  - Keep the fire a minimum of 50 feet from any structures
  - FIRE MUST BE ATTENDED BY A RESPONSIBLE PERSON AT ALL TIMES.
- The following materials are prohibited for burning and should be disposed of by alternative methods: Rubber or plastic products, treated or laminated wood, general construction waste, chemicals, household trash or any other materials that emit hazardous or toxic smoke and fumes.
- This permit does not supersede or replace other requirements, regulations, or restrictions set forth by any other local, state or federal agency.
- Burn permits may be denied or revoked by Colorado River Fire Rescue Prevention Division.
